PRESIDENT'S NOTES By Phyllis Filreis

As seen on a bumper sticker – “If you don’t like the way I drive, you should see my putt.” But that’s never the problem at the MMA golf outing! The scramble format gives

everyone the best shot. Thanks to Dan Goodenough for coordinating this successful event. We thank all companies for prize donations and hole sponsorship. A special thanks to MMA Board members for donated time and effort to the event. More details inside this issue.

To enjoy the wonders of summer in Minnesota, register for the upcoming MSMA boat cruise event on the Mississippi. Then rest up and rejuvenate because MMA has some great fall events that should not be missed.

On-line reservations available on the MMA website for 2 exciting events.....

Vendor/Member & Customer Event, August 11th at Green Mill.

This will be an excellent opportunity to speak to vendors and discover the products and services they offer. Attendee price is only \$15 which includes a free Vendor Resource Guide with all participating vendor information. Network over lunch. Participate in small group discussions to share with fellow professionals your greatest successes so far this year and what you see as the greatest challenges/issues yet to come. It is a special interactive opportunity to talk with vendors about capabilities on an individual basis without the time and expense of travel.

Wells Fargo Shoreview Print & Mail Operation Tour, October 15th –

Registration is now open with 3 tour time options at 9 a.m., 1 p.m., and 3 p.m. Only 20 people per tour group, so be sure to mark your tour preferences and provide contact information to confirm your reservation and tour assignment.

Have a safe and happy summer.
